

## Project Component Tracking Matrix

WPA Feasibility Study Component Name, Comprehensive Plan Component Label, East Coast Buffer Cell Designation

Water Management Components	Wetland Preservation Areas	Alt D13R (Recommended Plan) Component	East Coast Buffer Cell No.
<b>WPA FEASIBILITY STUDY List A</b>			
Acme Basin B STA and Reservoir		OPE	n/a
	Strazulla Wetlands	OPE	1 & 2
Hillsboro Impoundment		M	7 and western portion of Cell 8
C-11 Impoundment/Diversion		Q	11 and expansion area to east
North New River Diversion:	WCA 3A/3B Seepage Management:		
Everglades Buffer Strip North	Everglades Buffer Strip North	O, SS	9
Everglades Buffer Strip South	Everglades Buffer Strip South	O, SS	12, 13, 14
Everglades Buffer Strip Miami-Dade	Everglades Buffer Strip Miami-Dade	O, SS	15 and 16
C-9 STA/Impoundment		R	17, 18, and 19 (minus eastern 1/2)
Dade-Broward Levee	Pennsuco Wetlands	BB	26
	Bird Drive Recharge Area	U	28
Eastern C-4 Structure		T	n/a
<b>WPA FEASIBILITY STUDY List B</b>			
PBC Ag Reserve Reservoir and ASR		VV	Acquisition area east of Cell 3
Hillsboro Impoundment ASR		M	7 and western portion of Cell 8
North Lake Belt Storage Area		XX	20
Central Lake Belt Storage Area		S	Most of 21 and eastern strip of 23
Central Lake Belt Flows to WCA 3B		EEE	n/a
WCA 2 Flows to Central Lake Belt		YY	n/a

List A includes components of the Comprehensive Plan that will be further evaluated as part of the Water Preserve Areas Feasibility Study. Detailed design of these components will be recommended in the WPA Feasibility Report.

List B includes components that will receive additional evaluation in the WPA Feasibility Study, but are dependent upon the completion of pilot projects before finalizing detailed designs.

Water Management Components	Wetland Preservation Areas	Other	Alt D13R (Recommended Plan) Component	East Coast Buffer Cell No.
<b>List C</b>				
	Pal-Mar/Corbett Connector		OPE	n/a
C-51 and southern L-8 Reservoir			GGG and K	n/a
C-17 STA and Backpumping			X	n/a
C-51 STA and Backpumping			Y	n/a
C-51 ASR			LL	n/a
L-31N Seepage Management Area			V and FF	31, 32
C-111 East STA			WW	n/a
<b>Other ECB Areas</b>				
	Weston Wetlands			10
	LNWR property			3
	Loxahatchee Mitigation Bank		(future without project)	4 and 5
		Lake Belt Properties		Southern 21, 24, 25 and 27
		Not in Recommended Plan		29 and 30

List C includes the components of the Comp Plan that will be evaluated as part of an ongoing or scheduled study other than the WPA Feasibility Study.

Other East Coast Buffer (ECB) Areas include cells within the WPA footprint which are not within the Comprehensive Plan.
